

AKINRETI OLALEKAN SAMUEL

125, Herbert Macaulay Street, Ebute – Metta, Lagos.

Gender: Male

Marital Status: Single Nationality: Nigerian

PERSONAL PROFILE

I am a result-oriented individual with a lot of enthusiasm and willpower. I have acquired varied skills in corporate business with knowledge in Economics, Information Technology, Management, and Accounting. I am committed to awareness in new technology and industry standards. I have good communication, analytical and problem solving skills. My experience has built my confidence to work alone as well as part of a team. I also can persevere and this allows me to work well under pressure and meeting deadlines. Above all, I am God fearing and very trustworthy. I am looking for a position in your establishment where I can apply my skills as well as room for further training and developments.

To work in an environment where professionalism, entrepreneurship and intellectual capability is encouraged and appreciated.
To contribute immensely in the accomplishment of the organizational corporate goals,
To acquire beneficial knowledge to the development of Nigeria economy, for further self-development as I acquire work experience.

CORE COMPETENCE

Excellence team player,
Excellent analytical mind, communication skill and good character,
Ability to work with minimum supervision,
Hardworking and high level of personal organization,
Prepare to face challenges and
God fearing.

TRANSFERABLE SKILLS

Analyzing Problems: I am very effective at breaking down and analyzing problems. The problem analysis and design module during my degrees and work experiences has further broadened this skill, and gives me an edge when making decisions.
Planning & Designing: I am well aware of the importance of planning in business and everyday life. I know and employ different planning tools to plan my time, resources and tasks effectively and this helped utilize my time effectively.
Effective Communications: I speak fluent English coupled with neat and legible handwriting and can communicate effectively with people. I know how to reach and present myself effectively as a result of numerous group works, which was an important element of my degree and work experience; it involved lots of report writing and presentations.

HOBBIES

Thinking, Travelling, Listening to Music, Computers and Socializing.
